Conference Format

The conference includes three days of educational seminars and peer-based panel discussions geared specifically for print buyers and specifiers (including marketers, designers, production managers and purchasers). The seminars will be given by a variety of independent industry experts. The panel discussions will include print buyers, production managers, printers and suppliers.

Two booth representatives from each full conference exhibitor (four for our premium sponsors) will be entitled to attend all of the conference programs and events. The conference format will allow them time to participate in exciting programs or to conduct mini-educational seminars of their own. Details on the General Schedule will be posted online at www.printoasis.com as soon as they become available.

Again, exhibitor hours will be concentrated to help you make the most of your time. The exhibit hall has been specifically designed to be a true destination spot for attendees with many mini-educational seminars, networking events and meals being served in the Exhibit Hall. (Details on the exhibitor hours and events will be coming soon.)

Print Oasis General Session

2009 Exhibit Hours

- Sunday, May 17: Exhibitor Reception 5 PM - 7 PM
- Monday, May 18: Exhibit Set Up
- Monday, May 18: Exhibits OPEN 5 PM - 7 PM with Gala in Exhibit Hall
- Tuesday, May 19: Exhibits OPEN 7:45 AM - 6:30 PM
- Tuesday, May 19: Exhibit Dismantle 6:30 - 9 PM

Booth Space

The exhibit room will be set up with 10 x 10 booths (or 10 x 20 booths for premium sponsors) and table-top exhibits will be set up in the foyer. All meal events and breaks will be held in the exhibit area on Monday and Tuesday to encourage as much visibility for the full conference exhibitors as possible. All exhibitors are responsible for any A/V, shipping, labor and drayage set-up costs. Those fees will be paid directly to our contracted drayage and A/V companies.

Booth location and sponsorship opportunities are determined on a first-come, first serve basis. Exhibitors will be contacted to select their booth location in the order that their payment is received.

“The biggest benefit is the exposure to OUR target market. These ARE the decision makers in most cases. It is also an opportunity to network with others in your industry.”
